New York Red Bulls 2012 Salaries: Thierry Henry Is Now MLS' Highest Paid Player

by Pat Johnston | May 25, 2012, 6:01pm EDT

The MLS Players Union **released the data on MLS player salaries** on Friday and we found out that **New York Red Bulls** striker **Thierry Henry** is now the highest paid player in MLS. Henry surpassed **David Beckham** of the **LA Galaxy**, who apparently took a \$2.5 million pay cut to stay with the Galaxy. Henry, who is making \$5.6 million, technically took a pay cut as well (of four cents). Rafa Marquez at \$4.6 million also passed Beckham, who will make \$4 million in 2012.

Here's what the Red Bulls team is making in 2012 in base and guaranteed salary:

Player Name	Base Salary (\$)	Guaranteed Compensation (\$)
Jose Angulo	33,750.00	33,750.00
Johnny Arteaga	44,000.00	44,000.00

Mehdi Ballouchy	138,188.00	138,188.00
Brandon Barklage	44,000.00	45,566.67
Jonathan Borrajo	44,000.00	44,000.00
Wilman Conde	125,000.00	141,666.67
Kenny Cooper	275,000.00	292,500.00
Thierry Henry	5,000,000.00	5,600,000.00
Corey Hertzog	75,000.00	103,500.00
Markus Holgersson	190,000.00	190,000.00
Stephen Keel	65,000.00	65,000.00
Connor Lade	33,750.00	33,750.00
Joel Lindpere	175,000.00	195,000.00
Ryan Maduro	44,000.04	44,000.04
Rafael Marquez	4,600,000.00	4,600,000.00
Dax McCarty	174,375.00	194,375.00
Ryan Meara	33,750.00	33,750.00
Roy Miller	112,495.50	112,495.50
Victor Palsson	80,000.00	95,000.00
Heath Pearce	292,499.00	301,999.00
Dane Richards	170,000.00	181,500.00
Tyler Ruthven	33,750.00	33,750.00
Jan Gunnar Solli	185,000.00	185,000.00

Teemu Tainio	200,000.00	205,000.00
Jeremy Vuolo	44,000.00	44,000.00

For the way Ryan Meara has played in net this season, he's an insane bargain for the Red Bulls and costs less than his backup Jeremy Vuolo. The same could be said for forward Kenny Cooper who is tied for the MLS goal lead with 11 tallies. If you are wondering how much former Red Bull **Juan Agudelo** is set to make this season, it's only \$100,000.
